This video was absolutely amazing! I loved the editing and the transitions.	145	2
Could you please share what camera settings you used for low light?	34	0
The background music was too loud, couldn't focus on what you were saying.	12	5
Great job! This deserves way more views.	98	1
Stop clickbaiting your titles dude, so annoying.	3	14
I wish the tutorial was a bit slower; I got lost in the middle.	25	1
This content keeps getting better every upload. Keep it up!	72	0
This is trash, waste of time. Unsubscribed.	1	33
The editing is top-notch bro!	56	0
Why do you always promote products? Feels like an ad, not a tutorial.	9	3
LOL half of this video is just you talking nonsense	4	10
Bro this helped me land my first client - massive thanks!	83	1
This is fake, don't fall for this scam.	2	22
The auto-generated captions are off - can you fix that?	16	0
Can you make a version for mobile editing next?	29	0
Love your energy! You make learning fun.	67	0

Hate this dude's accent, can't understand a word.	3	18
Wow! Your consistency is inspiring.	54	0
I didn't understand step 3 - could you clarify?	11	0
You're the reason I started creating again	62	1
Too many ads, bro. Calm down.	5	7
First time here, and I'm hooked already!	44	0
You copied this from another creator. Unoriginal.	3	12
Subscribed instantly! Keep making more content like this.	51	0
Don't listen to the haters - you're killing it.	77	0
Follow my channel for similar tips!	1	10
The sound quality could be better next time.	18	0
I reported this - clearly fake info.	0	17
Thank you so much for replying to my comment last time	36	0
Ugh, why is this guy still getting views	2	21
